

.1 I support K-Love it is very important for the local community to have a choice in their music. 2. If K-Love were to be displaced by an LPFM we would not be able to hear K-Love which is very important to me as a listener. 3. K-Love provides a service to the Christian Community for diversity away from the secular music and their views. It's the right as Christians to have a station that provides insight other stations do not provide.
